

CONSTRUCTION OF ISLAMKOT AIRPORT

PREQUALIFICATION OF CONTRACTORS

1. The Civil Aviation Authority of Pakistan on behalf of Sindh Coal Authority, Govt. of Sindh is undertaking construction of Islamkot Airport.
2. Civil Aviation Authority intends to qualify local and international firms / constructors for work which comprises:- Construction of airstrip and allied facilities to cater for Category-C type aircraft; and land side facilities for smaller aircraft in Category-C. Runway comprises 7000ft length with over run 900ft on both ends to be constructed as per ICAO standard.
3. Prequalification is open to all local and international firms / construction companies having undertaken similar works. Foreign firms shall include participation of domestic firms / constructors, duly registered with the Pakistan Engineering Council in the relevant category / discipline.
4. Interested companies, registered with PEC, may request Prequalification Documents from the office of Director Planning & Development, CAA at the address given below. International firms, if prequalified will have to obtain PEC registration for foreign constructors, should they opt to submit the bid. The request must clearly state the name of the work for which the document is required. Prequalification Documents are available for a non-refundable fee of Rs. 5,000 (Pak Rupees: Five Thousand only) per package in the shape of pay-order in favour of Civil Aviation Authority of Pakistan. Firms requesting delivery of Prequalification Documents to their offices should include the requisite additional amount for courier charges of Rs. 1,000/- or equivalent in U.S. Dollars.
5. Applications for Prequalification must be clearly marked "Application for Prequalification for Construction of Islamkot Airport". Applications should be delivered by 7th September, 2009 in a sealed envelope, by hand or through registered mail / courier at the address given hereunder:-
6. Only firms/joint ventures prequalified under this process will be subsequently invited to bid for the works.
7. Civil Aviation Authority has the right to accept or reject any or all applications without assigning any reason.
